Single family home: From 1500 to 2500 total square feet, all developed levels	\$300
Single family home: From 2500 to 3500 total square feet, all developed levels	\$325
Estate homes: From 3500 to 4500 total square feet, all developed levels	\$400
Please contact me regarding properties over 4500 square feet or acreages	

### NOTES

- **Gallery with social media sharing link, Facebook and Twitter cross-post, and secure send to realtor included in all packages.**
- We do not take custody of keys or lock boxes, or accept responsibility for securing residences, as per CREB regulations.
- We do not shoot unprepared residences; listings must be clean and prepared for photography. We charge \$125 per hour for cleaning and staging of unprepared listings. We will contact you on arrival, if a listing is not prepared for photography
- The prices above apply to for-sale residential real estate. License applies until the listing sells, or the contract terminates, whichever comes first. Images under this listing photography license are not available for any commercial use (realtor's personal website, corporate website, personal marketing/promotions).  
We charge \$0.50 per Km, return, from the city limits, for listings outside Calgary.
